This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at any time of your own time (that's what catalogues are for about if you ask me).

Createspace, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Great Bible Study book. Questions at the end of each chapter This book looks at every mention of Peter in the book of Acts. We see him be the first in every major expression of faith possible in the birthing of the early church. He preached the first sermon, healed the first sick person, he baptized new believers into the Holy Spirit, he was the first to preach to the gentiles, first to water baptize gentiles, he changed the paradigm of early believers that salvation was for all men and did not require a Jewish conversion to be saved. He was the first to testify in court, he was the first to be led by an angel out of prison; he was the first to raise the dead. We learn how Peter tapped into the power to accomplish these tasks and how we can tap into the same power.
