Createspace, United States, 2013. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.It was a normal summer afternoon when Mona and Bitsy left the mall to head home after their day of shopping. At least, it seemed normal except for the thunderstorm and the possible tornado, which picked up their Prius and set them down in the middle of a wheat field. Oh, and those calls from North Dakota that Mona thought were a wrong number, they might have had something to do with where the girls landed. They were definitely not in Kansas anymore, and Reuben and Sean McLean were definitely not Munchkin men. The girls want to go home to Littlefield, Illinois in the year 2010, but how? With their car out of gas, one lovesick cowboy chasing Bitsy, one major case of gender confusion, and a land-grabbing scheme to foil, the girls have their hands full. Oh, and there s also a farm to be saved and murder mystery to solve, but after meeting the McLean brothers, do the girls really want to go home?.
