Lydian Press, United Kingdom, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Only one man in town knew all the secrets and still managed to keep the peace In the challenging economic times of 2027 a new world order rules every aspect of life including sexual activity. The sin tax was implemented and made into law in the United States, China, Russia and immediately went worldwide by a United nations vote. Sin City, California is the exception, a peaceful and liberal playground for the rich and powerful, until a spate of sadistic murders threatens the existence of this modern day utopia. Sin City, California and the Sin tax The mobile phone phenomenon completely changed the world in 2027 for the common good. World governments finally found something to agree on. And that was privacy should not be wasted on the masses. Technology now made it possible through mobile headsets to see when its user had last had sex. You were under the radar if you didn t have cellular service but in 2027 everyone was required to subscribe to government run cell phone service, whether the individual needed it or not. Independent start up mobile companies no longer existed, which was seen as a good thing, for a while. Then they all fell under one umbrella company, Mobile-Serv Inc. Users brainwaves, like phone bills, were monitored and if it found you had indeed copulated you were charged on your cellular bill. In the challenging economic times of 2027 The sin tax was implemented and made into law in the United States, China, Russia and immediately went worldwide by a United nations vote. The advantages far out-weighed the cons. The Sin tax raised tax revenues, cut the epidemic of STD...
