Boys Town Press, United States, 2011. DVD Audio. Book Condition: New. abridged edition. 180 x 138 mm. Language: English . Brand New Book. On this DVD, Child Psychologist Dr. Pat Friman reveals ten truths or laws that all parents should know, understand, and follow if they want to raise happier, better-behaved children with a lot less frustration and stress. They include: [[When children are disciplined, they are the ones who should be upset why getting angry or raising your voice when children misbehave rarely works. [[The more parents talk, the less children learn chat away during playtime, but using few words works best when you're giving instructions you want kids to follow. [[The devil lurks in unfilled time keeping children busy can keep them out of a lot of trouble. Using stories and humor to explain the behavioral science behind his recommended parenting techniques, Dr. Friman gives a presentation that will entertain as well as educate parents and other caregivers seeking better ways of raising children, toddlers to teens.
