Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The History of a Slave Equatorial Africa, especially by Mbudikum people, with whom I have conversed at Old Calabar. While this little work docs not pretend to topographical accuracy - especially in countries that are only known to us by native reports - yet, to speak colloquially, it is not all humbug. Many of the incidents herein related I have actually witnessed during some one of my journeys in Africa. The places and peoples I have named are of real existence, as are also the languages quoted, though some of them, as in the case of the Mbudikum tongue, probably appear in print for the first time. Were it not for the time and care which I have spent on the forty-seven illustrations of this booklet, I should consider even the few foregoing remarks superfluous; but, for the sake of these drawings, I would ask the reader to treat me somewhat seriously.
