Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

THE DOCTORS DILEMMA

BOOK JUNGLE, United States, 2008. Paperback. Book Condition: New. 234 x 185 mm. Language: English . Brand New Book ***** Print on Demand *****.George Bernard Shaw was born in Dublin in 1856. Before becoming a playwright he wrote music and literary criticism. Shaw used his writing to attack social problems such as education, marriage, religion, government, health care, and class privilege. Shaw was particularly conscious of the exploitation of the working class. Since a botched operation on his foot, .Shaw had little respect for the majority of doctors. The Doctors Dilemma is about a doctor who has discovered a cure for tuberculosis and is faced with the decision of whether to save a great artist or an unselfish friend who has not made a success of his life. The doctor s decision is further complicated by the fact that he is in love with the artist s wife. ***** Print on Demand *****.
