Elliott & Thompson Limited. Paperback. Book Condition: new. BRAND NEW, The Danube Testament (New edition), Ingrid Mann, Published under a pseudonym, A E Ellis, and appearing in 1958 to considerable acclaim, The Rack is a novel about the ordeal of being deathly ill. A young English student, Paul, is sent to a Swiss sanatorium just after the end of the second world war. At a time when effective medication for tuberculosis was unknown, Paul undergoes an unimaginable regime of regimented medical intervention, both physical and mental. His fellow patients fare no better. Yet, as the poet Edwin Muir wrote in his original review in the Observer: 'The Rack does not deal obviously with disease and suffering; it describes, sometimes very amusingly, the life of the sanatorium: the sardonic professional kindness of the doctors, liable suddenly to break under pressure, the badness of the food, the endless pre-occupation of the patients with their symptoms, and the sexual promiscuity. Behind the book one has the impression of an unusual and powerful mind.' Graham Greene considered it a masterpiece; the Times Literary Supplement believed 'the book exercises a complete fascination.a deeply impressive performance', and Time and Tide hailed The Rack as 'terrific. To read it is itself an experience.' Penelope Mortimer wrote: 'It is often glibly said that a work of art is an experience - The Rack is one of the rare instances of this actually being so. It is a book which must, inevitably, have a permanent effect on the reader. In this case the usual terms of praise become almost meaningless. So powerful is Mr Ellis's inspiration, so driven by the urgent necessity of expression, that one is not so much conscious of having read a account of an ordeal as of having lived through two years of unbearable physical and...
