Tate Publishing Enterprises, United States, 2005. Paperback. Book Condition: New. 218 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.This Bible-based book is designed for hurting people everywhere. With inner healing, people are set free from strongholds (lies and bondages), which have been embedded in their subconscious. These strongholds lay burdens upon them that they are unable to handle, but with God all things are possible. Book is intended to aid in guiding people to inner healing. Also included are specific help areas, charts, and inner healing scripture verses. Rosanna Watts-Watson was raised in Greensboro, North Carolina, and saved at a young age. As a girl, Rosanna experienced God giving her unique encounters, dreams and visions-He even revealed specifics about her soon-to-be husband three months before they met. Rosanna was involved in teaching children in Sunday School for many years as well as teaching in a Christian school. Then, from 1972 to 1996, Rosanna was a telephone counselor for the Christian Broadcasting Network, ministering to many on a daily basis. In addition, she was involved in home Bible Study groups where she first used the materials that formed the basis of this book. Rosanna enjoys cooking (her sweet potato pie is a family favorite), sewing, and planning the annual family reunion for the Watts family. Rosanna and her husband, Norman, currently reside in Hampton, Virginia. They have five children. Identical twin boys (grandchildren) are expected in the spring soon after this book is released. Rosanna continues to minister inner healing and calls the ministry God revealed: His Tender Mercies. Her prayer is that people are set free through Jesus Set Us Free Indeed-set free to love and serve God.
