Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *Nature, Miracle and Sin: A Study of St. Augustine s Conception of the Natural Order* These lectures were delivered in the Schools at Oxford during the summer term of the year 1914, on the appointment of the Warden and Council of Keble College under the terms of the Pringle Stuart Trust. They are printed for the most part as read, but some passages were omitted in the Schools for lack of time, and other gaps afterwards observed in the argument have been filled. In the fourth lecture I have expanded the single sentence which was all that I could devote to an interesting suggestion made two or three days previously by Dr. Sanday. The sixth has undergone a drastic revision, which owes not a little to a brief and pungent criticism passed upon it at the time of delivery by Mr. Way of the Pusey House. I have tried to keep close to my subject, and I hope it will be allowed that on the whole I have been successful. Some strength of will was needed, for St. Augustine s discursiveness is an infectious quality, and he spreads another snare, even more insidious, for the interested reader. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
