Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Dyslexia impacts many areas of life! Okay - every area of life. It is so much more than a reading problem. It impacts childhood in such a powerful way that Dyslexia can launch a child into a life of creativity and success or plunge them into a life of depression and fear. Everything depends on the support of teachers, family and friends. That's you! As Dyslexics grow up their unique way of seeing the world influences their goals for the future, and also can influence the way they relate to their friends and lover(s). Dyslexia shows up on the job. Dyslexia shows up in the marriage. Dyslexia shows up in parenting styles and even in the way we relate to God and impact the world around us with our vision. Dyslexia is a way of thinking, living and imagining what life should be like. Dyslexia is a brain that thinks in 3D movies and can vividly see things that don't even exist yet, in their mind's eye. Dyslexia figures out how to turn a good idea, or a bad one, into reality. Dyslexia is an artist, an inventor, an architect, a storyteller, a politician, a teacher, a scientist, a chef, a director, an engineer, a world traveler and a faithful friend. In elementary school Dyslexia doesn't LOOK like a genius, Dyslexia can't look at a flat page, white with black letters all over it. In school that is what kids are expected to do for hours on end! BUT Dyslexia learns from the real world, and nothing in the real world is black, white and flat. Teachers don't always...
