Shroff Publishers/O`Reilly, 2008. Softcover. Book Condition: New. Do most physics books make your eyes glaze over quickly? Get ready for Head First Physics. This book takes the stress out of learning mechanics and practical physics by providing an engaging experience, especially for students who "just don`t get it." Full of visuals and activities, this fun, engaging, and inspirational book brings physics to life through real-world scenarios, simple experiments, and hypothetical projects. You`ll quickly discover that physics isn`t a dry subject after all. Wouldn`t it be great if there were a physics book that showed you how things work instead of telling you how? Finally, with Head First Physics, there is. This comprehensive book takes the stress out of learning mechanics and practical physics by providing a fun and engaging experience, especially for students who "just don`t get it." Head First Physics offers a format that`s rich in visuals and full of activities, including pictures, illustrations, puzzles, stories, and quizzes -- a mixed-media style proven to stimulate learning and retention. One look will convince you: This isn`t mere theory, this is physics brought to life through real-world scenarios, simple experiments, and hypothetical projects. Head First Physics is perfect for anyone who`s intrigued by how things work in the natural world. You`ll quickly discover that physics isn`t a dry subject. It`s all about the world we live in, encompassing everything from falling objects and speeding cars, to conservation of energy and gravity and weightlessness, and orbital behavior. This book: Helps you think like a physicist so you can understand why things really work the way they do Gives you relevant examples so you can fully grasp the principles before moving on to more complex concepts Designed to be used as a supplement study guide for the College Board`s Advanced Placement Physics B...
