*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Eraserhead Press, United States, 2010. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.HUMANITY S FATE IS IN THE HANDS OF HE WHO WIELDS THE SACRED THOR! Epic quests don t involve the internet or TV! They involve sex toys and manly, hard-bodied, larger-than-life heroes defying physics, logic and insurmountable odds, spitting out quotable, highly marketable catchphrases all the while! -The Sacred Horse Felix might not quite fit this description, but he s trying. After retrieving the most powerful weapon in the world from the Sacred Horse and proving himself a pervert of the purest heart, he sets upon an epic quest to destroy the kamikaze alien invaders poised to eliminate the entire human race. Invaders have implanted themselves in the college graduates standing in unemployment lines-the very backbone of the nation s economy. They ve positioned themselves in the city s grease transmission system, without which America will starve to death in minutes. They threaten the digital children, who cannot survive without their Internet connections. They even threaten Bob. College taught Felix how to please a horse. It didn t prepare him for the challenge of using an upgradeable horse dildo as a weapon to free himself from his tyrannical bosses at work and become a warrior for humanity.
