Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

Bestselling author Francis Ray will have fans cheering for the Grayson family's friends when two perfectly matched opponents go one-on-one. Sexy, single sports consultant Payton Sin Sinclair has tackled the world's most valuable players and most eligible women. But ever since his two best friends found love, despite his dangerous secret, he's tempted to take a chance himself. And that temptation is a woman named Summer. A self-made restaurant owner with a painful past, Summer has always counted on Sin. Beneath his smooth charm and hard body lies a tender-hearted friend who always keeps her going when the going gets tough. But now, swept up in her cousin's wedding plans, she's trying not to let the champagne or Sin's innocent passes go to her head. Because one dangerous kiss will only lead to another.
