Anchor Books, United States, 2014. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book. A New York Times Top10 Best Book of the Year A Washington Post Notable Book Theirs was the most captivating American political partnership since Richard Nixon and Henry Kissinger: a bold and untested president and his seasoned, relentless vice president. Confronted by one crisis after another, they struggled to protect the country, remake the world, and define their own relationship along the way. The real story of George W. Bush and Dick Cheney is far more fascinating than the familiar suspicion that Cheney was the power behind the throne. Drawing on hundreds of interviews with key players, and thousands of pages of private notes, memos, and other internal documents, Baker paints a riveting portrait of a partnership that evolved dramatically over time, during an era marked by devastating terror attacks, the Iraq War, Hurricane Katrina, and financial collapse. Peter Baker has produced a monumental and definitive work that ranks with the best of presidential histories.
