Buoy Point Media. Paperback. Book Condition: New. Paperback. 212 pages. Dimensions: 9.3in. x 6.7in. x 0.6in. John Krubski has been described as a futurist with his feet on the ground. He helps Americas businesses, from the very small to the very large, think their way to a better future. He has developed a formula for creating the future you deserve and applied it to the nation. The America Code began as a marketing exercise and evolved into a fresh perspective on the fundamental American operating system. American exceptionalism doesn't necessarily mean that America and Americans are better than other nations and nationalities. It simply describes the elementary fact that America is different, peopled by a disproportionate citizenry of Disenfranchised Diligent Optimists with a tendency towards Collective Congenital Amnesia who are Addicted to Personal Liberty. The future of America depends not on what we do but on who we are. Based on a body of work encompassing more than 35, 000 Americans, this book gets to the core of what makes America America and Americans Americans. The America Code is in our genes. It lies at the heart of how we got here - both literally and historically. It is the compass towards our future. The Code explains how we decide what we decide and why we value what we value. To the clever reader it also provides a blueprint for motivating and influencing Americans in the market, in the workplace, and at the voting booth. The Code can teach us many things about the third largest country on the planet in terms of both land area and population. American is more a nature than a nationality. Being here doesn't automatically make you American any more than joining a team makes you an athlete. But you don't have to live in America...
