Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1908 edition. Excerpt: . . . What proportion of the republicans or democrats of the present day have thought themselves into their political opinions How many young Parents take any pains to investigate and compare the results of the different methods of medical treatment, so that they may select that which they think. best calculated to make strong men and women of their children I think your answer to these questions would be, not very many, And this being true in what way can we reach and interest this great majority of the people A populai lecturer of the present time says that the masses of the people think in dollars and cents. Is not this about nine-tenths true And can we not interest them from a dollars-and-cents standpoint I ask any one of you who-has practiced a sufficient length of time to look over your account books, follow down...
