Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.So you have finally landed the one you have been patiently (or not may be so patiently) waiting for. Wow! Congrats!! Well, since I know the first few weeks are crucial! And I am sure. You really like this guy, and you are wondering what you can do (or avoid doing) to keep this relationship going and not scare him away. Fear not! This book you are holding in your hands has the answers you need. I am not going to sugarcoat it: A new relationship can be a little tricky sometimes. First, there s the guessing game Where is this relationship going? talk. Then the stresses of meeting his friends, dividing your time and of course uttering the three words: I love you. In a new relationship, it s really easy to blow out too fast in the honeymoon phase and want to spend every waking second together and guess what? It can be the end of a relationship if your partner feels that the mystery is gone. Whether it s going out with...
