Ccb Publishing, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Hi! My name is Charlie. This is my story about starting school. I was very excited and couldn t wait to go. When we got there, I saw lots of people I didn t know and wanted them all to like me. But wait till you hear what happened! One boy didn t like my name. A girl couldn t tell what I drew in art class. A boy didn t like my shirt. Another boy said I was too tall, and a girl said I was too short. I got all mixed up. I knew what they said wasn t right, but I wanted to please. That s when I became Charlie Chameleon. I told my parents what happened - how I kept changing so that everyone would like me. They told me I didn t have to do that. I was okay just the way I was, and real friends would like me just the way I was, too. They said I should believe in myself and always do what I know is right. I should not always listen to what others want me to do, or I won t be who I really am. I m glad I found this out. My parents said they liked me just the way I was. That made me very happy! I like me just the way I am, too! And you know what? My real friends were very glad I learned to do what I thought was right. They said I helped them want to be who they really are, too. I hope you like my story. XOXOXOXOXO Your friend, Charlie P.S. Charlie has been used in...
