

Foxhunting with Meadow Brook

By Judith Tabler

Derrydale Press. Hardback. Book Condition: new. BRAND NEW, Foxhunting with Meadow Brook, Judith Tabler, Foxhunting with Meadow Brook on Long Island, New York, was always about more than the fox, the hounds, or the horses. Meadow Brook was about its people-some powerful, some idle, many wealthy-and their shared joy in galloping across beautiful country, only minutes outside New York City. Doomed from its 1881 conception, the Meadow Brook hunt managed to survive for ninety years in spite of poor scenting, sandy soil, angry farmers, quirky millionaires, trolleys, trains, automobiles, and airplanes. Foxhunting with Meadow Brook tells the story of the people who, for almost a century, rode behind the Meadow Brook hounds.
