

## War for Oil The Nazi Quest for an Oil Empire

Filesize: 2.33 MB

### Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be the best ebook for possibly.

Potomac Books Inc. Hardcover. Book Condition: New. Hardcover. 192 pages. Dimensions: 8.0in. x 5.3in. x 0.7in. As Hitlers Einsatzgruppen (mobile SS killing units) marched into the Soviet Union directly behind the advancing Wehrmacht to murder Jews and others, less well-known units were also following in the footsteps of the German armed forces. They were called, among other things, petroleum units, petroleum commissions, or technical brigades. Their mission was to seize and exploit the oil-producing areas of the conquered territories. Having pillaged oil in Poland, France, and the Low Countries, these predatory units were the latest examples of Nazi Germanys relentless efforts before and during World War II to achieve self-sufficiency in fuel. But only in the Eastfirst in the Soviet Union and then in the Middle Eastcould Hitler find sufficient quantities of oil to free Germany of all external dependency and allow him to wage war indefinitely. To achieve his aim, Hitler envisioned his armored columns advancing through North Africa and the Caucasus to a juncture somewhere in the Near East in what Martin Blumenson called the most gigantic pincer movement in history. In this prodigiously researched study, historian Dietrich Eichholtz tells the story of Nazi Germanys plans to establish a global oil empire, from the plans inception in 1938 to its collapse in 1943. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
