Excerpt from Relief: A Primer for the Family Rehabilitation Work of the Buffalo Charity Organization Society Prepared by Its Secretary This little Primer was originally written for the Charity Organization Society of Buffalo, and some of its paragraphs do not represent the methods in use in other cities. Experts differ as to principles of relief, and there are statements in this pamphlet which are not universally accepted, but probably no one could draw up a brief treatise on this subject which would be universally acceptable. The Primer is suggestive, but in no sense authoritative. Nevertheless, there is so much confusion in the minds of many that some outline of principles is needed. There are experienced workers, for instance, who have no conception of the difference of treatment for widows and for deserted wives. Slight as this pamphlet is, it may stimulate thought, and help in cases of doubt. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
