Who was Benjamin Franklin? Would your eight-year-old know the answers to these questions? What I Should at Eight is a diary, a record of facts, and a great overall learning experience for any child in third grade or preparing to enter it. Third grade kids will have fun learning about money, space, history, and a host of other topics, including a great true or false section that will leave them (and possibly you) guessing. This book of fun facts is intended to be a guide for you and your child in regards to basic things that they should know by eight-years-old. It will give you an idea of what your child knows while allowing him or her to learn about the world around them in a fun and engaging way. Every child is different, of course, and each develops differently. Yet there are some core facts that children should know at certain...
