CROSSWAY BOOKS, United States, 2012. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book. Discipleship was one of the central themes of Jesus teaching, yet it is not a major emphasis today for many churches. This short study guide explores the Bible's teaching on discipleship, and covers such topics as the need for discipleship, the demands of discipleship, and the enemy of discipleship. With discussion questions at the end of each chapter, participants will work through guided reflection as they learn about the centrality of discipleship in the Christian life. A series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in Nine Marks of a Healthy Church by Mark Dever. This series explores the biblical foundations of key aspects of the church, helping Christians to live out those realities as members of a local body. Conveniently packaged and accessibly written, the format of this series is guided, inductive discussion of Scripture passages and is ideal for use in Sunday school, church-wide studies, or small group contexts.
