There are so many different ways that you can create art, and only a limited amount of time that we have to get all our ideas off the ground. Because of this, it makes sense that you will want to learn as much as you can in the shortest amount of time possible. There are three common types of paints that are used in art. Many artists use oils, watercolors, and acrylics. This book is going to focus on acrylics, because this is one of the most common and easy to access paints there is. Many artists prefer it because it is fast to dry and isn't altered when water touches it after it has dried. It's the most permanent paint of the three. Acrylics have a lot of other amazing qualities that make it easy to understand why so many artists prefer them. The colors are vibrant, and layering the paints is simple to do. If you make a mistake, it is simple to cover up with another paint color. In a way they are like charcoals, and bring out the best in an artist because they know that they only get limited chances to get it right once they begin. If you want to learn some great new tips and techniques that will help bring your acrylic painting to the next level, then you've come to the right place! Brace yourself,...
