Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.So you ve decided to take the plunge and get started with OS X El Capitan for Mac. Congratulations! Longtime Mac users know that Mac just works - the interface you ll come to know and love is intuitive, powerful, and designed to make your life easier. Technology can and should be exciting, and your Mac will offer all of that excitement, without the headaches! Whether you re a first time Mac user or a seasoned Mac devotee, OS X El Capitan has something for everyone. The El Capitan update brings Mac OS X even closer to the look and feel of iOS (the operating system for Apple mobile devices like the iPhone and the iPad). New features like Split View make it easier than ever to get things done, and design improvements make things look better than ever. Just like its cousin iOS 9, El Capitan features dramatic improvements to its Spotlight Search interface that make it more intuitive than ever to get the information you need. Mail will automatically pull in contacts and calendar events for you, so you never have to worry about missing an important phone call or meeting, not to mention the new Mail message full screen experience. There are also big improvements to established apps like Notes and Photos that help you organize and enjoy your photos, notes, to-do lists and more. Under the hood, El Capitan includes several tweaks that significantly improve your Mac s performance. Apps open faster, Mail messages load more quickly, and graphics are handled more fluidly. Just like the previous OS X upgrade (Yosemite), El Capitan is a free download through the Apple App Store, though if...
