New Forest Books, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.If you're looking for odd and unusual mandalas and lots of variety, this coloring book (for adults) is for you. This 8 1/2 x 11 book contains over 101 mandalas for you to color. Every design is based on the strange, eerie, and mystical artwork of 19th-century artist Aubrey Beardsley. This massive collection includes all the coloring pages in Joan Verch-Rhys's popular Beardsley Collections, Books 1 & 2. These mandalas are printed on just one side of the page. Each design is unique, but you may see recurring themes from Beardsley's drawing style. Designs vary from simple to detailed, and thin lines to heavy stained glass lines. Many designs include mostly straight lines. Others feature curves and swirls, and even a suggestion of floral prints. If you're looking for a slightly different -- perhaps odd -- coloring book with lots of pages to keep you busy, this is the book for you.
