

## High school (Vol.2) - high school physics textbooks and refined the whole solution

By ZHANG PEI RONG

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 164 Publisher: Shanghai Jiaotong University Pub. Date :2010-1-1. Contents: teaching periodic motion of the whole solution Chapter B A uniform circular motion the relationship between angular velocity and linear velocity centripetal acceleration centripetal force B \* B \* B Law of Universal Gravitation \* Horizontal Projectile Motion Unit Summary mechanical vibration of C \*-C pendulum D E wave mechanical wave generated description of F \* wave interference. diffraction unit Summary Chapter two mechanical power A B C reactive D gravitational potential energy kinetic energy power and energy change E \* the relationship between the kinetic energy theorem of conservation of mechanical energy F of Chapter VI Summary and gas laws molecule A molecule B Avogadro constant gas pressure and gas volume relationship c relationship between the pressure and temperature of compressed gas applications D E \* ideal after school gas equation gas refining Chapter Summary A periodic motion and uniform circular motion B angular velocity relationship B \* B \* centripetal acceleration centripetal force law of gravity B \* Horizontal Projectile Motion self-testing a mechanical vibration of...

### Reviews

*Good eBook and useful one. It is amongst the most remarkable ebook i actually have study. You can expect to like the way the article writer publish this pdf.*

-- Prof. Armand Senger DVM

*Absolutely essential go through book. It can be rally fascinating throgh studying period of time. You wont truly feel monotony at at any time of your respective time (that's what catalogues are for concerning in the event you question me).*

-- Roberto Leannon
